WELCOME TO OUR PRESENTATION

We prepared a brief presentation about our group companies and our bussiness activities. Within this presentation, you can find details about our history and commercial bussinesses in general. We hope you enjoy it. Sweet moments...

FROM THE BEGINNING

FROM 2003... İDP TEDARIK was established by Polat Özgünes as a young entrepreneur in 2003 to provide services in distribution, marketing, distributorship and logistics; and with a growing portfolio in 20 years, İDP now provides services to many corporate customers in fuel-oil sector (international and domestic chain gas station brands), by providing wide range of imported and local brands' goods on snack foods group, consumable materials and other solution partnerships. İDP's growing customer portfolio consists of world-famous and Turkish fuel-oil brands' chain markets (SHELL, TOTAL, OPET, BP, PETROL OFISI, AYTEMİZ in whole Turkish territory 557 sales points); ROSSMAN and GRATIS (Beauty, Cosmetic & Personal Care - 780 stores countrywide); AMAZON, GETIR and BANABI (online apps in countrywide), BTA, AKG, SOFRA GRUP and MARS ENTERTAINMENT from entertainment, aviation and catering sectors. In addition to above, İDP also provides A+ tailor made solutions and products to some other unique markets and brands, should the business needs require. İDP's motto in doing business can be explained in brief as <<provide the best and boutique service to the best brands>>. İDP's product range, mainly includes imported foods, consumables, toys and electronic accessories. İDP, uses its own fleet of van vehicles and warehouses while providing its services in the Marmara region, and it utilizes IT based ordering and distribution system throughout Turkey with its Call Centre & web app services. Finally, İDP also provides storage, handling and distribution services on project basis within the scope of logistics services. TO DATE...
